OUR STORY CONTINUES TO GROW

We're a club-level sports restaurant experience where everyone is a VIP, worthy of the ultimate sports dining experience. With bright, inviting dining rooms, 50+ TVs, elevated fan experiences, chef-inspired recipes and of course our signature wings, Buffalo Wings & Rings is the ideal experience for socializing with friends & family over sports.

Since 1984, when we served our very first wing in Cincinnati, Ohio, we've been focused on the food we love and the people who love it. Sure, we've always been a little wing-obsessed, maybe a little sports-obsessed as well — but look how we've grown! Over the years, we've built upon the flavors and fun, adding more crave-inducing options to our menu and locations to the map.
